## Camera Solutions

# Camera Solutions for Olympus Binocular Microscopes (1)

Biological Microscope

**Applicable Model:**

CX23, etc.

**Solution 1**

All-in-one Embedded Smart Camera

Dovetail mount with built-in 0.43X relay lens

**Solution 2**

Embedded Smart Camera

Dovetail mount with built-in 0.43X relay lens

**Solution 3**

WiFi Embedded Camera

Dovetail mount with built-in 0.43X relay lens

**Functions Available:**

	Solution 1	Solution 2	Solution 3
Deeply customized Android OS	✓	✓	
Pre-installed MS Office	✓	✓	
15.6-inch High Color Gamut Display	✓		
Output Methods			
5G WiFi	✓	✓	✓
USB			✓
HDMI	✓	✓	✓
WAN (Ethernet)			✓

# Camera Solutions for Olympus Binocular Microscopes (2)

Stereo Microscope

**Applicable Model:**

SZX10, etc.

**Solution 4**

Embedded Smart Camera

Dedicated for parallel optics type stereo microscope

**Solution 5**

Embedded WiFi Camera

Dedicated for parallel optics type stereo microscope

**Functions Available:**

	<b>Solution 4</b>	<b>Solution 5</b>
Deeply customized Android OS	✓	
Pre-installed MS Office	✓	
15.6-inch High Color Gamut Display		
Output Methods		
5G WiFi	✓	✓
USB		✓
HDMI	✓	✓
WAN (Ethernet)		✓

! HDMI output is unavailable for 20MP cameras.

# Camera Solutions for Nikon Binocular Microscopes (1)

Biological Microscope

**Applicable Model:**

ECLIPSE Ei, etc.

Solution 1

All-in-one Embedded Smart Camera

Dovetail mount with built-in 0.43X relay lens

Solution 2

Embedded Smart Camera

Dovetail mount with built-in 0.43X relay lens

Solution 3

WiFi Embedded Camera

Dovetail mount with built-in 0.43X relay lens

## Functions Available:

	Solution 1	Solution 2	Solution 3
Deeply customized Android OS	✓	✓	
Pre-installed MS Office	✓	✓	
15.6-inch High Color Gamut Display	✓		
Output Methods			
5G WiFi	✓	✓	✓
USB			✓
HDMI	✓	✓	✓
WAN (Ethernet)			✓

# Camera Solutions for Nikon Binocular Microscopes (2)

Stereo Microscope

**Applicable Model:**

SMZ 1270, SMZ800N, etc.

Solution 4

Embedded Smart Camera

Dedicated for parallel optics type stereo microscope

Solution 5

Embedded WiFi Camera

Dedicated for parallel optics type stereo microscope

## Functions Available:

	Solution 4	Solution 5
Deeply customized Android OS	✓	
Pre-installed MS Office	✓	
15.6-inch High Color Gamut Display		
Output Methods		
5G WiFi	✓	✓
USB		✓
HDMI	✓	✓
WAN (Ethernet)		✓

! HDMI output is unavailable for 20MP cameras.

# Camera Solutions for Leica Binocular Microscopes (1)

Biological Microscope

**Applicable Model:**

DM500, DM750

**Solution 1**

All-in-one Smart Camera

Dovetail mount with built-in 0.43X relay lens

**Solution 2**

Smart Camera

Dovetail mount with built-in 0.43X relay lens

**Solution 3**

Multi-output Camera

Dovetail mount with built-in 0.43X relay lens

## Functions Available:

	Solution 1	Solution 2	Solution 3
Deeply customized Android OS	✓	✓	
Pre-installed MS Office	✓	✓	
15.6-inch High Color Gamut Display	✓		
Output Methods			
5G WiFi	✓	✓	✓
USB			✓
HDMI	✓	✓	✓
WAN (Ethernet)			✓

# Camera Solutions for Leica Binocular Microscopes (2)

Stereo Microscope

**Applicable Model:**

MZ10F, etc.

**Solution 4**

Embedded Smart Camera

Dedicated for parallel optics type stereo microscope

**Solution 5**

Embedded WiFi Camera

Dedicated for parallel optics type stereo microscope

**Functions Available:**

	Solution 4	Solution 5
Deeply customized Android OS	✓	
Pre-installed MS Office	✓	
15.6-inch High Color Gamut Display		
Output Methods		
5G WiFi	✓	✓
USB		✓
HDMI	✓	✓
WAN (Ethernet)		✓

ⓘ HDMI output is unavailable for 20MP cameras.

# Camera Solutions for Zeiss Binocular Microscopes

Biological Microscope

## Applicable Model:

Primostar

### Solution 1

All-in-one Smart Camera

Dovetail mount with built-in 0.43X relay lens

### Solution 2

Smart Camera

Dovetail mount with built-in 0.43X relay lens

### Solution 3

Multi-output Camera

Dovetail mount with built-in 0.43X relay lens

## Functions Available:

	Solution 1	Solution 2	Solution 3
Deeply customized Android OS	✓	✓	
Pre-installed MS Office	✓	✓	
15.6-inch High Color Gamut Display	✓		
Output Methods			
5G WiFi	✓	✓	✓
USB			✓
HDMI	✓	✓	✓
WAN (Ethernet)			✓
